Dividends may be declared and paid on Common Shares from funds lawfully available therefor as and when determined by the Board of Directors and subject to the dividend rights of any outstanding Preferred Shares. - vii) any sinking fund, redemption or retirement provisions and the extent to which the charges therefor are to have priority over the payment of dividends on any other series or over dividends on the Common Shares;
- viii) the number of shares of such series;
- ix) the voting rights, if any, for such series;
- x) the conversion rights, if any, for such series.

Unless otherwise provided in the resolution of the Board of Directors providing for the issue thereof, shares of any series of Preferred Shares which shall be issued and thereafter acquired by the Corporation through purchase, redemption, conversion or otherwise, may by resolution of the Board of Directors be returned to the status of authorized but unissued Preferred Shares of the same or other series. Unless otherwise provided in the resolution of the Board of Directors providing for the issue thereof, the number of authorized shares of any such series may be increased or decreased (but not below the number of shares thereof then outstanding) by resolution of the Board of Directors. In case the number of shares of any such series of Preferred Shares shall
